You will learn how to create permanent, fixed and colourfast marbled pieces of cloth for use in your own projects. Suitable for all ages and abilities (children with an adult please). Aprons and gloves provided. No artistic ability needed!

Take home your own self-printed or hand-drawn shopping bag using thickened dyes and thermofax screens. You can then have a practise and see just how simple it is to create amazing results. Please note: dyed items will need to 'rest' for 24 hours prior to rinsing. Once washed, they are then fixed.
